

TRAFFIC Recommendations on the Proposals to Amend the CITES Appendices at the 16th Meeting of the Conference of the Parties

Proposal #/ Proponent	Species covered by the proposal	Proposal	RECOMMENDATION
# 5 Australia	<i>Thylacinus cynocephalus</i> (Tasmanian Tiger)	Deletion from Appendix I	<p>The last recorded Tasmanian Tiger <i>Thylacinus cynocephalus</i> was captured in 1933 and died in 1936. It has been classified as Extinct by IUCN since 1982. In the highly unlikely event of its rediscovery, there is no reason to assume it would be affected by trade and commercial export, which would anyway be prohibited by Australian legislation.</p> <p>ACCEPT</p>
