

TRAFFIC Recommendations on the Proposals to Amend the CITES Appendices at the 16<sup>th</sup> Meeting of the Conference of the Parties

Proposal #/ Proponent	Species covered by the proposal	Proposal	RECOMMENDATION
# 7 Australia	<i>Caloprymnus campestris</i> (Buff-nosed Rat-kangaroo)	Deletion from Appendix I	There have been no reliable records of the Buff-nosed Rat-kangaroo <i>Caloprymnus campestris</i> since 1935 and the species was classified as Extinct by IUCN in 2008. In the highly unlikely event of its rediscovery, there is no reason to assume it would be affected by trade and commercial export, which would anyway be prohibited by Australian legislation  <b>ACCEPT</b>
