

TRAFFIC Recommendations on the Proposals to Amend the CITES Appendices at the 16th Meeting of the Conference of the Parties

Proposal #/ Proponent	Species covered by the proposal	Proposal	RECOMMENDATION
# 8 Australia	<i>Chaeropus ecaudatus</i> (Pig-footed Bandicoot)	Deletion from Appendix I	The last confirmed record of the Pig-footed Bandicoot <i>Chaeropus ecaudatus</i> dates from 1907 and the species has been classified as Extinct by IUCN since 1982. In the highly unlikely event of its rediscovery, there is no reason to assume it would be affected by trade and commercial export, which would anyway be prohibited by Australian legislation ACCEPT
